What do people enjoy most about their secondary school years?

Can teachers tell when a child is unhappy?

Should teachers always know what their students are doing?

How can the arts help spread positive emotions in society?

尊敬的年长的人

Describe someone who is older than you that you admire.

You should say:

Who this person is

How you knew this person

Why you admire this person

and explain how you feel about this person

Part3:

What can young and old people learn from each other?

Has old people's quality of life improved compared to the past?
Why is there a generation gap between the young and the old?
What do old people usually do in their daily life?

喜欢拍照的人

Describe a person in your life who really likes taking photos.

You should say:
Who he/she is
When and where does he/she take photos
Why you think he/she likes taking photos
And explain how you felt about him/she

Part3:

Why are some people keen on taking photos?
What kind of photos do people often take?
Do you think it's OK to take photos everywhere?
Why do tourists like taking photos while they are travelling?
Some people don't mind others walking into their shot when they're taking photos. What do you think?

有条理的人

Describe a person who is well-organized.

You should say:
Who he/she is
How you knew him/she
Why you think he/she is well-organized
And explain how you felt about him

Part3:

Why is it important for people to be organized?
Do you think children should learn to be organized from a young age?
Are organized people more likely to be successful at work or in their studies?
What can people do to become more organized?
Should parents teach their children to be organized?
Do you think it is important for managers to be well organized?

助人改善健康

Describe a person who you helped to improve their health and fitness.

You should say:

Who it is

Why you helped him/her

What you did

And explain how you felt about him/her

Part3:

Is it important to have a healthy community?

Does living in a healthy community give people a sense of belonging?

Does the government have a responsibility or role to play in building healthy communities?

喜欢学习历史的人

Describe a person you know who likes to learn about history.

You should say:

Who he/she is

Why you think he/she likes to learn about history

What kinds of history he/she learns

And explain how you felt about him/her

Part3:

Should people start learning history from a young age?

At what age is it best for people to start learning history?

When people travel to a place, are they mainly interested in its local history?

Is it important to learn about how people lived in the past?

Should people learn about ancient history before they study modern history?

体育健将

Describe a sportsperson you know who did well in an event.

You should say:

Who it is

What sport he/she plays

How well he/she plays this sport

And explain how you feel about him/her

Part3:

What are the most popular sports in your country?

Do you agree that all students are willing to play sports?

What qualities make a top athlete?

想从事医疗行业的人

Describe someone you know who has always wanted to work in medicine.

You should say:

How you know him/her

When him/her first had this idea

What this person is doing now

And explain why this person has always wanted to work in medicine.

Part3:

Why do some people want to become doctors?

Is it difficult to become a doctor?

Why do some children want to be doctors?

Do children find learning biology interesting?

Do you think studying biology at school can make students healthier?

事业成功的人

Describe a person you know about who runs a successful business.

You should say:

How you knew him/her

What business does he/she do

Whether you have used his/her business

And explain why you think his/her business is successful.

Part3:

What kinds of businesses have recently emerged in your city?

Why do some people prefer to shop at small supermarkets rather than large ones?

Is the quality of products in small shops the same as that in large supermarkets?

In your country, is it easy or difficult to achieve success in business?

Why do some people fail to start their own business?

What are the key factors for achieving success in business?

喜欢种植物的人

Describe a person you know who enjoys growing plants in his/her home or garden.

You should say:

How you know this person

What plants this person enjoys growing

Where this person grows plants

And explain why you think this person enjoys growing these plants.

Part3:

Do people in your country like growing plants?

Why do people grow fruits and vegetables by themselves?

Will people grow more food by themselves in the future?

Why do some people like to keep plants at home?

Should schools teach children how to grow plants?

童年好友

Describe a friend from childhood who you remember very well.

You should say:

Who the friend is

How you met him/her

What you used to do together

And explain why you remember this childhood friend so well.

Part3:

Where can young children make new friends?

Is it easy for children to make friends?

Is it important for children to have a best friend?

Do adults need older friends?

What are the benefits of having an older friend?

As people get older, do they argue less with their friends?

Should people value friendship above other types of relationships?

How might society change in the future if friendship and other social bonds were stronger?

Can friendships last a lifetime?

完成困难挑战的人

Describe a person you know who successfully achieved something difficult

You should say:

Who is it

What he/she had achieved

How difficult it was

And explain how you felt about it

Part3:

What types of businesses are successful in your country?

Who are some successful people in your country?

How easy is it to start a successful business?

Is making money the most important thing for a business?

Does earning a lot of money mean someone is successful?

Why are some people more successful than others?

Is being successful at work necessary for a successful life?

How do you define success?

Are successful people lonely?

Describe a person who is good at learning languages

You should say:

Who it is

How you knew him/her

What languages he/she has learnt

How this person learned to speak these languages

And explain why you think he/she is good at learning languages

Part3:

Do people in your country learn other languages?

What are the best ways for adults to learn a new language?

Do you think it is necessary for study or work to learn new languages?

What are the differences between how adults and children learn languages?

How important is it for people to know other languages when they travel?

Is knowing the vocabulary of another language more useful than knowing the grammar?

Do people need to understand a language in order to understand its culture?

How might the number of languages a person speaks affect their sense of identity?

地点题

吵闹的地方

Describe a place you went to that was very noisy.

You should say:

Where this place was

What you did there

Why it was very noisy

And explain how you felt about this place being so noisy.

Part3:

What kinds of places are usually noisy in your country?

In which places is noise generally not allowed or discouraged?

How do people usually respond when they encounter noisy behaviour in public?

Why do some people dislike noise, while others seem to enjoy it?

Does a quiet environment help people concentrate more effectively? Why?

自然之地

Describe a place where you enjoy nature.

You should say:

Where this place is

How you found out about this place

What you can see there

And explain why you enjoy going to this natural place.

Part3:

Where do people in your country usually go to get close to nature?

Are there any natural places within cities in your country?

Do people in your country have time to spend in nature?

Does spending time in nature make people more interested in plants or animals?

What kind of people like to visit natural places?

喜欢去的公共建筑

Describe a public building you enjoy spending time in (e.g. a library or sports hall).

You should say:

What and where it is

What it is used for

What it is like

And explain why you enjoy spending time in it

Part3:

Do people generally prefer to live in apartments rather than houses?

Is it important to protect historical buildings? What are the benefits?

Which is more important, preserving historical buildings or building new ones?

拥挤的地方

Describe a crowded place you have been to.

You should say:

Where you have been that was crowded

How often you go to this place

Who did you go there with

And explain how you feel about going to this place

Part3:

Why do people go to crowded places?

Do people enjoy going to crowded places?

Which parts of a city tend to be the most crowded?

Does a city need to have quiet places?

If a city is very crowded, what kind of facilities should it have?

宜居之地

Describe a place you have visited that you think it is a good place to live.

You should say:

Where it is

What you know about this place

What people can do there

And explain why you would recommend this place as a good place to live.

Part3:

What are the types of places where people like to live?

What are some advantages for people living near their workplace?

What are the differences between places older and younger people like to live?

Why do some people move to a different area to live?

What preparations should people make before moving to a new area?

Is choosing where to live the most important decision people make in their lives?

喜欢/不喜欢的高建筑

Describe a tall building you like or dislike

You should say:

Where it is

What you know about it

What it looks like

And explain why you like or dislike it

Part3:

Is it common for people to live in tall buildings in your country?

What are the advantages of living in a tall building?

What are the disadvantages of living in tall buildings?

Do you think there will be more tall buildings in the future?

Will more people live in high-rise buildings in the future?

Why do some people choose to design their own homes?

How does climate affect building design?

喜欢但不想住的家

Describe a home you visited that you liked but don't want to live in.

You should say:

When you visited this home

Who lives in it

Why you liked it

And explain why you would not want to live in his/her home.

Part3:

In your country, do people often visit each other's homes, and how frequently?

What kinds of presents or gifts might visitors take when going to someone's home?

What differences do you think there are between houses in the countryside and those in the city?

Should a friend be welcomed into a person's home at any time?

How difficult is it to find a good home in your country nowadays?

What do people usually consider most when choosing a place to live?

Is it the government's responsibility to ensure that everyone has somewhere to live?

推荐的度假胜地

Describe a place you went to on holiday that you would recommend.

You should say:

Where you went

Why you went to this place

What you did

And explain why you would recommend this place for a holiday

Part3:

What are some popular attractions that people like to visit in your country?

Do old people and young people choose different places to go on vacation? Why?

What do young people and old people think about when making travel plans?

How do people get to know a new place?

How do people make decisions about when to take their holidays?

What are the advantages and disadvantages of planning every detail of a holiday/vacation in advance?

无聊的地方

Describe a place you went to where you think is boring.

You should say:

Where and where you went

Who you were with

What you remember about this place

And explain why you felt bored in this place.

Part3:

When do people feel bored?

What are some ways that people can avoid feeling bored?

Why do young people find chatting with elderly people boring?

Why do students find their teachers' lessons boring?

What should teachers do to make lessons less boring for students?

Why do most children find education boring?

Do most people think that news about famous people is boring?

Do most people use their phones too much when they are bored?

物品题

浪费时间的日常

Describe an activity you usually do that wastes your time

You should say:

What it is

How long you have been doing it

When do you usually do it

And explain why you are still doing it knowing it is a waste of time

Part3:

What kinds of activities do people have to do every day?

Is it important to have a daily routine?

How can people make routine activities less boring?

What kinds of things make people feel pressured?

Is it beneficial to have a certain amount of stress?

What would make people feel less stressed – having more time or more money?

不喜欢的短途旅行

Describe a short trip you often take but do not like.

You should say:

Where you go

When you go there

Why you go there

And explain why you do not like the trip

Part3:

What forms of transport do people in your country use more often?

Why do people choose to travel abroad during their holidays?

What are the benefits of travelling abroad?

How does travelling with large crowds affect people's experience?

What are the main purposes people have for travelling?

不喜欢的电影

Describe a movie you dislike.

You should say:

What it is

When and where you watched it

What it was about

And explain why you dislike it

Part3:

What kinds of films are popular in your country?

What are the differences between watching a film at home and watching it in a cinema?

Do you think films are more effective than books in helping people become more creative?

Can films help people understand the culture of other countries?

看过的名人采访

Describe an interview with a famous person that you have seen.

You should say:

When it happened

Who you interviewed

What questions you asked

And explain how you felt about the experience.

Part3:

What kinds of people are usually interviewed?

Why do some people dislike being interviewed?

Why do some people think interviews are a waste of time?

What should people do to prepare for a job interview?

Why is confidence important in a job interview?

Why is it important to dress formally for a job interview?

令人兴奋的书

Describe an exciting book that you enjoy reading.

You should say:

What type of book it was

Why you read the book

What the book was about

And explain why the book was so exciting

Part3:

What kinds of books do people in your country like reading?

What kinds of books do young people and old people enjoy?

Do boys and girls like the same kinds of books?

Do you think it is very important to read the book before watching the movie version of it?

Are movies usually not as good as the books they are based on?

Can movies based on novels encourage people to read more?

为某事举办的派对

Describe a party which was held for a special event.

You should say:

When it was held

Who joined in

What people were doing at the party

And explain how you felt about it

Part3:

When do people usually hold parties in your country?

Do people prefer to hold parties in public places or in their own homes?

Is it important to provide food at a party?

特别节日的食物

Describe a kind of food that you like to eat on special occasions.

You should say:

What it is

What occasion it was

How this food is prepared

And explain why you like to eat this food on special occasions.

Part3:

What kinds of food are popular in your country?

What are the differences between what people eat now and in the past?

Why do people eat special foods on certain festivals or special occasions?

What is the difference between the food people eat on special festivals and the food they eat every day?

Do people prefer to eat out or eat at home?

On what occasions do people eat special food in your country?

Why do people usually celebrate important occasions with food?

Do people in your country grow plants at home?

看过的体育比赛

Describe a live sport match you have ever watched

You should say:

What it was

When and where you watched

Why you watched it live

And explain how you felt about watching it live.

Part3:

What kinds of sports are popular in your country?

What kinds of sports events do people in your country enjoy watching?

Is being at a sports match always better than watching it on TV or online?

In your country, what kinds of sports competitions do children usually take part in?

Do you think people prefer to watch live sports or watch it on TV?

What are the differences between watching live sports and watching it on TV?

Can watching sports events on TV or online inspire people to do more sport?

感兴趣的当地新闻

Describe a piece of local news in your area that people are interested in

You should say:

What it was about

Where you saw/heard it

Who was involved

And explain why people were interested in it

Part3:

Do people read the newspaper where you live?

Are people more interested in local news than national news?

Why do some people want to be very involved in their community?

Do you think local communities were stronger in the past than they are today?

Do you think it is important to have a national identity?

How can people develop their national identity?

遇到的科技问题

Describe a problem you had with a technology product, like a computer or a phone.

You should say:

What the technology product was

What was the problem

Whether you fixed the problem in the end

And explain how you felt about this experience.

Part3:

What kinds of modern technology do people use at home?

Why do people often want to buy the latest technology for their homes?

What are the advantages and disadvantages for students of using technology in education?

Do you think young children today are over-reliant on technology products?

Is it possible to live without a computer at home?

Can technology have a bad influence on communication between students?

Will online learning replace face-to-face classroom teaching?

雄心壮志

Describe an ambition you have had for a long time

You should say:

What it was

Why you want to achieve it

When you think you will achieve it

And explain why you have had this ambition for such a long time.

Part3:

What kinds of ambitions do young people have? Why?

What kinds of ambitions do children have?

Should parents help their children decide what ambitions to follow?

Do you think ambition is necessary within a company team?

Why are some people ambitious to take on higher positions at work?

Are ambitious people always successful at work?

Is it a bad thing if someone isn't ambitious?

Does society value ambition more than other personalities?

社媒上的有趣视频

Describe an interesting video that you watched on the internet.

You should say:

What it was about

When and where you watched it

How you found out about this it

And explain why you thought this video was interesting.

Part3:

What kinds of videos are popular in your country?

What types of videos do young people and elderly people prefer?

Why do some videos become very popular around the world?

What are the differences between learning through videos and learning through books?

What skills or things can people learn from videos?

What are the advantages of online learning?

Is watching a video a more effective way to learn than reading instructions?

How do videos recorded by ordinary people affect the news?

环保法律

Describe a law to help the environment which you think your country should have.

You should say:

What it is

Why your country needs this law

Whether this law would be popular

And explain why this law would help the environment.

Part3:

What kinds of rules do most schools have?

Should schools increase or reduce rules?

Why are rules important for schoolchildren?

How can teachers and parents help their children follow rules?

What kinds of jobs require people to follow strict rules?

Should there be rules about what people can wear at work?

Should employees be involved in making company rules?
